What is Stonewall Youth?

Stonewall Youth is an organization for queer identifying youth who are 12 to 21 years old. Founded in 1991, Stonewall Youth is an organization of youth activists that empowers LGBTQ+ youth to speak for themselves, educate their communities, support each other, and work for social justice.

What are Fellowships?

Fellowships are a way for youth participants to get even more involved in Stonewall Youth. Fellowships offer a paid opportunity for youth to get job experience, get involved in a local non profit, and help support their peers and community. You might be ready for a fellowship if you can,

- Commit to roughly 3 hours/week of work for Stonewall Youth
- Work closely with Fellowship Staff to help see your project through
- Have availability all or most of Stonewall Youth's open hours (Wed 4-7pm Thur 5-7pm)
- Are self-motivated
- Able to meet deadlines

Currently there are 3 tracks available for fellowships. Workshops/ Education, Outreach, and Self-Made Project. You may choose one of these tracks to focus your fellowship on.
